Equipment Installation - Do it right the first time! Our experienced technicians are trained and qualified to professionally install, service, and repair ALL of the equipment we sell, as well as MOST other makes and models of equipment... with minimal disruption to your service shop!

Equipment Repairs - Expedient and professional service! Our technicians arrive in fully equipped service trucks, prepared to correct most equipment problems in one visit. To insure you get the most cost-effective repair service in the business, ask for secure access to Smart Service On-Line.

Equipment Sales - We appreciate the opportunity to earn you business. We promise to always be honest and fair in helping you to determine exactly which equipment fits your application, your requirements, and your budget.

Loaner Equipment - For you to use while your equipment is being repaired! We will install loaner equipment, such as oil or grease pumps, oil dispense valves, grease guns, reels and power units), when available, at your request.

Smart Service PM - The most comprehensive preventative maintenance service in the region, keeps your equipment working properly, reduces "profit robbing" downtime, minimizes your insurance liability, and includes a 26+ Point Checklist (describing everything we inspected, lubricated, and adjusted), an Estimate (whenever further repairs are required), and a full year of Smart Service On-Line.

Workmanship Guarantee - Service with Integrity! Our workmanship is guaranteed on ALL of the work we perform. If any work performed by Maintenance Plus should cause unexpected equipment or associated system failure, within the first 90 days of installing, repairing, or performing work on such equipment or associated system, Maintenance Plus will repair such equipment or associated system failure in a timely manner, at no additional charge.

Your Privacy - We recognize the fact that some of our customers may be your competitors, and as such, the opportunity to discuss information about your business may arise from time to time. We protect your privacy and the integrity of your business by discouraging such discussions. All propriety, strategic, and tactical information, as well as any public or private conversations we have with you, are held in strict confidence.
